

Least Restrictive Environment

Educating your child in the Least Restrictive Environment (LRE) means that your child will be educated with non-disabled peers, “ to the maximum extent appropriate, children with disabilities, including children who are not disabled, and that special classes, separate schooling, or other removal of children with disabilities from the regular educational environment occurs only when the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily.”
