

Flowing Wells School District

District Goals 2016-2017

1. The District will outperform the state and national averages in all standardized assessments including early literacy, Arizona's State Assessment, Advanced Placement, and college entrance exams.
 2. The District will provide a safe and engaging learning environment which promotes students' physical, mental and emotional well being evidenced by a multi-year analysis of suspensions for drugs, assaults, fighting, and defiance, an analysis of the district attendance rate, and an analysis of strongly agree/agree responses to the safe and healthy environment student academic optimism/ climate survey.
 3. The District will promote and encourage parent engagement and community/business involvement in schools evidenced by an analysis in parent attendance at school events, an analysis in strongly agree/agree responses on the Parent Academic Optimism/ Climate Survey, and an analysis in community/business partnerships.
 4. The District will make and communicate appropriate and responsible budgetary decisions as evidenced by reports from the District external auditors.
 5. The District will promote and support the 24/7 school house by providing exceptional opportunities for fitness and sports, fine arts, before/after-school, and summer school tutoring as evidenced by various end of year reports including: 21st Century Community Learning Centers Annual Performance Review and the District Goal Action Report.
 6. The District will prepare all students to be college and career ready as evidenced by 100% Initiative indicators, including progress interviews, Career and Technical performance assessment results, scholarships utilized and Gold Diplomas earned.
