

# Happy Spring, FW!

March 16, 2018

## FAREWELL MARCY ARGENT

It is with great sadness that FW says goodbye to Marcy Argent following her brave battle with cancer. Marcy was an Administrative Assistant to the Assistant Principals at Flowing Wells High School. Marcy started working for Flowing Wells in 2009. In addition to her work as an administrative assistant, Marcy was a resident security guard at Flowing Wells High School. She also enjoyed keeping score for basketball and volleyball, as well as being a ticket taker at various events including the FW Wrestling Invitational. Marcy's friends and colleagues describe her as someone who went out of her way for others, even when it meant sacrificing for herself. She was extremely generous, and she never met a stranger because everyone she met quickly became like family. Marcy is a Caballero forever, and she will be missed.

## SOLAR PROJECTS CONTINUE

Solar panels continue to be installed at FWHS and Centennial. Solar projects across the District will continue to produce significant energy savings over time.

## WHEN REQUESTING A SUBSTITUTE

Please be mindful when entering upcoming absences in the AESOP system. If you enter an absence but don't assign a substitute, your assignment goes into the sub pool and any substitute can accept the job. Therefore, if you enter an absence without assigning a sub, you are agreeing to allow any sub to accept the job. If you have already spoken to a specific substitute and they have agreed to sub for your absence, then click on **CREATE ABSENCE & ASSIGN SUB** in the AESOP system. We would like to avoid cancelling jobs for substitutes who have accepted an assignment, and avoid assigning two substitutes for the same job. If you have any questions, please do not hesitate to call Kim Trueblood at 696-8824.

*Have you told a colleague that he or she is AWESOME lately?*

Spring Break is upon us and it's a good time to "spring clean" your health! Schedule your medical appointments, yearly screenings, dental exams, and cleaning. De-clutter your medicine cabinet and toss out old medications. Pima County provides a safe and effective method of drug disposal, so go to [webcms.pima.gov](http://webcms.pima.gov) to find a disposal place and time. De-stress by taking a yoga class or meditating, and stay sneeze-free this allergy season by spring cleaning your house!

## FLEXIBLE SPENDING REMINDER

If you have a flexible spending account, please remember that you have to spend down the funds in your account before June 30, 2018. For a list of FSA eligible items and services go to [www.sheakley.com](http://www.sheakley.com).

## ARE YOU PLANNING TO LEAVE FW?

If you are planning to leave Flowing Wells at the end of this school year, please tell your principal or supervisor as soon as possible. We appreciate you giving the District time to post the position and find the best person possible to hire as your replacement. Thank you in advance for giving us as much notice as you can!
