FW GOVERNING BOARD APPROVES END OF YEAR CALENDAR

The Governing Board has approved the end of school year calendar for 2018. The revised calendar includes additional instructional days to account for days in which District schools were closed. Please see the images at the bottom of this edition of the FW Insider for details about elementary, FWJH, and FWHS calendars. Please remember that all certified and support staff members are expected to work the additional days. If you are unable to work those days, you may take leave time, or if you do not have leave time, you may submit a PAR for leave without pay. If you have any questions, please ask your principal or director, or call the Human Resources office at 696-8822.

THUMBS UP!

You may have noticed the "thumbs up" feature in the new version of Outlook online. This is a good way to approve or show your "like" to an email from a colleague. Of course, you can send them a reply email, but a "thumbs up" is a kind gesture when you are in a hurry!

FOUR NEW DISTRICT HIRES!

We are excited to announce four people who will be moving into new District positions:
