

Accessing Email on your Smart Phone:

1. Go to Settings, then Mail or Email.
2. Select the option to add an account.
3. The type of account you are adding is "Exchange."
4. You will need to enter the following information regardless of whether you are using an iPhone, Android, or Windows phone, although the order might be different depending on the operating system:
 1. Your district email address (firstname.lastname@fwusd.org)
 2. Server: fwmail.fwusd.org
 3. Domain: fwusd
 4. Username: (your district username; for example: stoltzfk)
 5. Password: (your district password)
